**Behaviour:**

You are a friendly team leader who is always down to help when there are issues and make sure proper communication is used in the project. You are also an inventive person when it comes to solving problems. Also you are a great team player.

**Emotion:**

This makes me feel secure knowing I have a team leader like you. Whenever something goes wrong you are a great team leader who fixes the problem and is there for the team members.

**Consequence:**

Because of you, the project runs smoothly with no major issues and the atmosphere in the group is good.

**Desirable Method:**

I hope you continue to advance in being a great team player and team leader.
