

Nick Grahovskis

1. How would you rate Amir's communication during the project?

Your answer:

He is a communicative person and always participates in team discussions during ateliers, so on the scale from 0 to 10 I would rate his communication skills as 9.

2. Can you give an example where Amir communicated clearly or effectively?

Your answer:

During the meeting when he was a chairman, he prepared an agenda, where he made an effective and clear discussion about the project progress and future steps.

3. Was Amir open to feedback, and did he listen to others?

Your answer:

He is always open to feedback and takes it into the account

4. How did Amir contribute to group discussions or decision-making?

Your answer:

He always participates during group discussions and gives comments during the decision-making process.

5. What could Amir improve in terms of communication?

Your answer:

Nothing special to add, just try to make a speech in a more organised way when you lead the meeting.

6. Any final comments or positive feedback on Amir's communication?

Your answer:

Amir is a collaborative and communicative team member, when it comes to collaboration there, he always tries to participate in group discussions as much as it needed.
