

360 DEGREE FEEDBACK FORM

FROM: Corodeanu David Cristian

TO: Amir Ranjbar Maki

ME

How would you describe me?

A very friendly, cheerful and creative person.

What do you see as my strength(s)?

Designing interfaces, websites and coming up with creative solutions.

Can you describe a situation when I demonstrated this strength?

During the IT Hub project you and App Development you designed the website and the app interface.

ME IN A TEAM

How do you see my role in this team?

Teamworker and coordinator.

What is my contribution to this team?

Design the website and help tie it together with the database.

What would you ask me to help you with?

Design any website or app.

TIPS

Do you see any room for improvement for me as a team member?

Nothing comes to mind, just keep working together with others on more team projects and you will naturally improve.

Do you see any room for improvement for me as a future IT-specialist?

Just continue practicing and learning new coding languages.

What competences would you recommend me to work on?

Problem solving, the most important competence in IT. You are already very good at it but there is always room for improvement.
